---

Hi Gaurav,

I am pleased to offer you an internship with JiffyBots, Inc.

I'm looking forward to seeing you grow and develop into an outstanding team member. I hope that you will find your work to be rewarding and challenging.

Your position title will be: **Developer Internship**

Start date: **December 1st, 2016**

Your duties and responsibilities will include Microsoft Bot Framework, Luis.Ai, NLP/ML, Direct Line API and UI components, as well as general code development for JiffyBots clients. You will be expected to communicate directly to Sneha James for direction and guidance on projects, but know that you can also always reach out to me for any questions. Furthermore, you'll be invited to add input to the domain backend and bot services portal for clients.

Hours and Compensation: This is a full-time internship requiring approximately 40 hours per week.  
Rs26,000 monthly base salary plus project bonuses.

Employee Benefits. We offer 14 days of vacation per year. We'll also pay for business expenses incurred related to your employment.

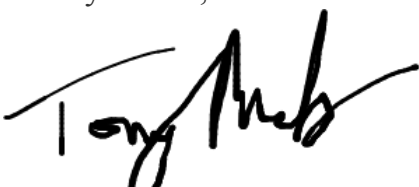

Proprietary Information and Inventions Agreement. Like all Company employees, you will be required, as a condition of your employment with the Company, to sign the Company's standard Proprietary Information and Inventions Agreement.

Privacy. You are required to observe and uphold all of the Company's privacy policies and procedures as implemented or varied from time to time. Collection, storage, access to and dissemination of employee personal information will be in accordance with privacy legislation.

Please provide me with the following information via email:

1. Photocopy of Identification
2. Home address
3. Bank account info (for wire transfers)
  - A. Name on the account
  - B. IFCS Code (should be a 5 digit number)
  - C. Account Number

Tony Marks,

CEO
